## WHAT YOU CAN DO

- Reduce violence and other crime in schools by learning conflict management and mediation skills, starting a school watch modeled on the Neighborhood Watch idea, starting a student court that hears real cases and imposes real sentences, holding assemblies where teens can talk about their fears and hopes, starting a hotline where students can anonymously report anyone carrying weapons.
- Reduce substance abuse by talking to younger kids about practical ways to resist the pressures to try alcohol and drugs, producing radio public service announcements against drug abuse and getting permission to play them over the school's PA system, performing skits urging younger children to stay drug free, setting up a hotline which can address substance abuse, producing a video on the effects of drug abuse on users and their families and friends.
- Improve the neighborhood by joining a graffiti removal team, picking up trash and litter from a park, planting flowers and shrubs around your school, working with other groups to organize a community clean-up day, helping to renovate a playground, designing and publishing an environmental handbook.

Help others by mentoring younger children, taking an elderly neighbor to the grocery store, supporting a friend who's been a victim of crime, volunteering to help out in after-school programs or daycare centers, setting up a warm line to help young students who are home alone after schools, tutoring classmates for whom English is a second language, building a nature trail for children with special needs, joining a group that builds or renovates housing for lowincome or homeless families.

## **FOOD FOR THOUGHT**

- Why not take part in a national event Crime Prevention Month, National Youth Service Day, National Night Out, or Victim Rights Week, for example?
- Why not start a contest and give prizes for the best violence prevention essay, video, poster, or rap?
- Why not work to prevent violence and other crime in a new, different way? Try a school pride day, a rally against drugs and violence, an alcohol and drug-free prom or graduation party, an original play or puppet show for younger kids, a week when everyone in your class agrees to "turn off" violent entertainment TV shows, videos, games, and movies?
